Additional Comments or Explanation:

Send a core (including surface) sample of paint chips at least 1/4" in diameter for complete testing; the lab cannot process results from paint powder. Pack in a protected container such as a bubble-pack envelope along with a copy of this completed form to:

Ramuc Pool Paint
36 Pine Street
Rockaway, NJ 07866
Attn: Chip Analysis Testing

Results are typically available within 72 hours of receipt of chips. A summary of the results will be emailed or faxed to the appropriate party.
